I Literally Just Told You, the game where anything that happens could become a question, starting - right now.

<contestants introduction video 1INTRO.MP4>

Based on the British game show of the same name, welcome to I Literally Just Told You, the game that gives you all the answers before the questions. Questions like these:

LIZ: For 1 point, What food item appeared on Lizrrie's intro?

LIZ: Cookies and milk

SERGE: What did Ashton say he's here for in his intro?

SERGE: Long time, not a good time

ASHTON: What color was Serge's shirt in the intro?

ASHTON: White

LizRRIE: What flavor of ice cream appeared on Liz's intro?

LizRRIE: Strawberry (pink)

Here's how the game works, a team of dedicated VSTs and volunteers are going to write questions about anything and everything that will happen from the moment the game started until the final round. Facts, figures, quotes, jokes, things that pop up on screen, people who'll go in and out of the room, every single thing could be a question. The top 2 scorers after 2 elimination rounds will go head to head asking each other questions they make up about things that happened during the game. All you have to do is remember everything and forget nothing.

To start things off, we're gonna play a little game of Is or Isn't. I'm going to list to each of you 6 things according to the Liztegrory you choose from and you simply have to state if each of them **is** or **isn't**. 1 point if you're right, absolutely nothing if you're wrong.

<Show [2MnMs.jpg](#), [2Map.jpg](#), [2Vengaboys.jpg](#), [2Thumbnail.jpg](#) on screen. Remove from screen after picked by a contestant. These must be memorized>
